[StartBlaze](#)

Rating: ★★★★★

Aesop Marketing is the force behind this free product which made browser generated web site traffic so popular. One of the first of its kind here's how it works: You set your browser start page to your StartBlaze address and for every six times you open your web browser, someone visits your web page. You also can get credits from signups at your AffiliateShowcase website on 4 levels deep. For every 6 sites they view, you will receive a visit.

[TrafficRoundup](#)

Rating: ★★★★★

TrafficRoundup is an established premier surf for hits traffic exchange. Visit other member's sites and receive visitors to yours. Every time you open your TrafficRoundup.com startpage, click on the NEXT link and wait for credit, you will earn 0.5 credits. You will earn 0.1 credits whenever the members in your downline (four levels deep) view member sites with their TrafficRoundup.com surf bar.

[USASuperClicks](#)

Rating: ★★★★★

USA Superclicks is a traffic exchange system that shows your page to members of their traffic exchange. For each site that you visit, you receive 1 credit to your account, and in turn 30 seconds worth of visits to your site. This may be in the form of 15, 30 or 45 second visits. You can earn credits by visiting sites at rates of 15, 30 and 45 seconds earning credits of 0.5, 1.0 or 1.5 credits respectively. You can target your website in different categories to get targeted traffic. And you can choose the category you prefer to visit.

You can earn unlimited visits to your site and promote as many different sites (urls) as you need. You may also purchase credits. You can promote your own referral page of the traffic exchange and earn credits from your referrals too! You earn 10% of your 1st level referrals and 5% of levels 2, 3 and 4.

A Pro membership is available for \$5 per month that gives you a 25% discount on all USA SuperClicks purchases.
